MEMORANDUM FOR: DDCI
FROM: DCI
SUBJECT: Open Source Exploitation
Program: Final Report

Does this add anything to the sum
total of our knowledge?

It seems to me if we are going to
do this we should try it with someone
who has been an analyst or intelligence
collector.

SUBJECT: Open Source Exploitation Program: Final Report (U)

REFERENCE: HC 85-055, dtd 11 Mar 86, same subj (S)

1. Attached for your information is the final report on the Open Source Exploitation Program. This report, endorsed by our Executive Steering Group, constitutes a blueprint for Community action in this field and a basic reference source. Appropriate supportive language is contained in your 1988-92 draft NFIP guidance, specifically to endorse the Community Information Retrieval System (CIRS) and continue the

25X1

2. The program reflects a process of thorough and purposeful cooperation among line managers responsible for open source exploitation. Users of open source information throughout the Community will be involved in the implementing phase already begun under the Information Handling Committee's direction, with continuing ESG policy oversight.

3. I will keep you informed as implementing actions proceed.
